Brad is a Labor Leader with the United Steelworkers International Union (USW). Brad has been a member of the USW for over twenty years and was hired by the United Steelworkers International Union in 2019. In 2021, Brad was promoted to Sub-District Director. Brad and the USW staff, service over 20,000 USW members in the state of Wisconsin, with approximately 7,400 of those members coming from of the paper sector at employers like Packaging Corporation of America (PCA), Smurfit WestRock, International Paper, Neenah Paper, ND Paper and more.

Brad was appointed by Governor Tony Evers to serve as the Labor Representative on the Council on Forestry in January of 2023. Brad also serves on the Board of Directors for the Wisconsin Center for Manufacturing Productivity (WCMP), the Board of Directors for WRTP/BIGSTEP, and also serves as Chairman of Board of Trustees for the Greater Wisconsin Employer-Union Pensions Trust Fund. He also serves as an Executive Board member of the Milwaukee Area Labor Council.

Brad has received four year of education and training from the USW Leadership Scholarship Program, and two years with the Lynn Williams Institute for Labor Studies and Activism.
