She comes from a family of independent business owners and owns her own insurance agency in Tomahawk. She was elected to the Wisconsin State Assembly in 2012, representing Wisconsin's 35th Assembly District. She served as a member of the Joint Committee on Finance for two sessions and as the Assistant Majority Leader for the Assembly Republicans.

Mary was elected to the Wisconsin State Senate in 2020 as the representative for the 12th Senate District. She is the Chair of the Committee on Insurance, Licensing and Forestry and serves as a member of the Joint Committee on Finance.

Mary's background in forestry has deep roots, as she has fond memories of helping her dad out as a kid on the Christmas tree lot that their family owned and operated. Mary sees the timber and forest products industries as vital to the Northwoods way of life, and she is committed to preserving our sustainable forestry industry that so many of her constituents rely on. She is especially interested in discussing opportunities for innovation in the field and new markets for our timber producers.
