

# FY23-24 Timber Harvest Report (ACT 166)

## Wisconsin Department of Natural Resources

### Purpose

[Wisconsin State Statute 28.025](#) requires the Department of Natural Resources (DNR) to:

- report biennially to the Council on Forestry the total timber harvest on Department lands
- establish an annual allowable timber harvest for these same properties or groups of properties

### FY23-24 Harvest Goal

The DNR Division of Forestry's Strategic Leadership Team approves a harvest goal annually. For FY 2023 and 2024, the harvest goal was 33,664 acres across all Department-owned lands.
